COVID 19 Additional Protections Required of Vendors

1. Proper handwashing by all vendors
2. Hand sanitizer must be present and available to customers
3. Discourage touching of items unless being purchased
4. Keep all booths clean and sanitized
5. Practice social distancing guidelines
6. Discourage gathering of large groups
7. Refer to State of Tennessee's "Tennessee Pledge" for more safety information

A Note from the Market Master:

I am asking all vendors to use common sense during this unusual time of COVID 19 and to practice all safety guidelines. The health and safety of all vendors, shoppers and staff is my most important concern for the market.

If you answer YES to any of the questions below, please do not attend the market until you know you are healthy.

- Have you been in close contact with someone confirmed to have COVID-19?
- Are you experiencing a cough, shortness of breath, or sore throat?
- Have you had a fever (100.4 or higher) in the last 48 hours?
- Have you had new loss of taste or smell?
- Have you had vomiting or diarrhea in the last 24 hours?

If you have any questions, please do not hesitate to ask me.

Sincerely,

James Curlee
